Presented By – 5CS-1 : Zay Min Paing

Supervised by : Daw Su Myat Naing

Tips for an Internship Interview

- Be prepared
- Stay relaxed
- Make a good first impression
- Focus on your skills and achievements
- Try to understand the question before answering

Be prepared

- Being confident is the key to do the best in the interview.
- If you are not well prepared, you will not have enough confidence in the interview.

Stay relaxed

- Being nervous is a barrier for a successful interview.
- So what you need to do is to calm down.

Make a good first impression

- Some people may judge you at their very first glance.
- Therefore, don't forget to make a good first impression.

Focus on your skills and achievements

- Try to describe your skills with your own experience of applying it

Try to Understand the Question before Answering

- Some people don't really try to understand the question before answering.
- That's how they give the wrong answers to the interviewers.
